Hello, I would like to give you some feedback from our stay in Kerala. First, we really appreciate the kindness and servability of our cab driver. He was driving in a safely manner, not taking any risks, and was helping us with places to visit. He was always ready when we needed him Second, we really "loved" the resort in the Rainforest, good service, good people, very charming, we felt like if we were at home. nice place, clean, well situated. they offered us to do a safari and trekking the day after. we really liked the offerings, made it easy for us to decide on things to do. Our guide for the safari as well as the trekking was excellent!!! good knowledge of the surroundings, good english, very nice person, was taking care of us and made sure that we were satisfied with the rides. Third, backwater was amazing too. crew very nice, good food, and good service. the food was soooooooooo goooooooooood, hotel in Munnar, good service the sea lord, the staff made us breakfast in the box cause we were leaving before breakfast time. again really appreciate the extra. thanks for booking this wonderful vacation for us.
